

# Watch your language!

The greatest wealth any person could possess is excellent character and good manners. A major part of good character is decent language and pleasant speech.

A number of complaints have been noted, both at business places and homes, where vulgarity and obscene language is the order of the day.

Nabi ﷺ is reported to have said: “Swearing a Muslim is an immoral act, and killing a Muslim is an act of Kufr.”  
(Muslim)

In another Hadith, Nabi ﷺ states: “A Muslim does not slander, curse, speak obscene words or become abusive.”  
(Tirmizi)

As Muslims, let us make our workplaces and homes - places of peace, harmony, respect and dignity and not places of vulgarity and obscenity.

May Allah guide one and all.
