## About Darul Ihsan

Darul Ihsan Humanitarian Centre provides education, guidance, social, empowerment and welfare services to the community. In providing this service, we adopt a holistic approach, that gives due importance to basic needs as well as human rights and dignity of those that we serve.

## Founding Philosophy

Darul Ihsan Humanitarian Centre is a multi-purpose, humanitarian-services providing organisation. 'Ihsan' means compassion towards mankind and to act with excellence. The Centre was established in the year 2000 with the primary objective of serving humanity and alleviating poverty and hardship locally and abroad. Since its inception, it has developed and established many humanitarian projects and provides a variety of free services to the community.

## Key Objectives

One of the key objectives of the Centre is to promote a better understanding of humanity and peace, thereby serving as a bridge-builder between faiths and communities. Through guidance, Ubuntu and empowerment, the organisation hopes to train and develop the youth to become torch bearers of hope, peace and compassion to humanity.
